

BobCAD-CAM Affiliate Program

Do you have time to become a CAD/CAM expert? Can you answer questions about CAD files or CAD/CAM programming?

By joining our affiliate program you won't need to!

How It Works:

Forward the attached coupon to your clients that need help programming their CNC machines.

- > When your clients calls us they will work with a CAD/CAM expert to evaluate their needs and offer a solution.
- > All your clients will receive special training, support and prices.
- > Your clients must use Your Promotional Code to speak with our CAD/CAM expert.
- > We guarantee all your clients will receive the highest level of customer service and answers to their questions!
