

Cab System For Yamaha Viking®

See Why More People Are Switching To Curtis

All Steel Construction for Added Strength

Innovative Features to Keep You Comfortable and Productive

Standard Dual Wipers Provide Full 3-Passenger Visibility

Hard Coated Polycarbonate for Maximum Impact and Scratch Resistance

Lighter Weight than Glass is Better for Faster, Higher Performing Vehicles

Limited Opening Design Provides Ventilation while Restricting Debris Entry into the Cabin

Windshield Removes Easily with 4 Bolts when not Needed

LED Work Lights Optional

Heavy Duty 7 Gauge Steel Hinges

Gas Assist Door Retention for More Controlled Opening in Windy Conditions

Durable Tubing Reinforced 16 Gauge Powder Coated Steel keeps Doors Looking Better Longer

Permanent Install Door Design

Two-Speed Heater Mounts behind the Dash without reducing leg-room. 20,000 BTU Unit Features Defrost Vents with Directional Louvers

Take A Closer Look. Slam the Doors. Slide the Windows Open. Lift Out the Window Panel. Feel the Air Flow through the Cab. You'll find the Features You are Looking for.

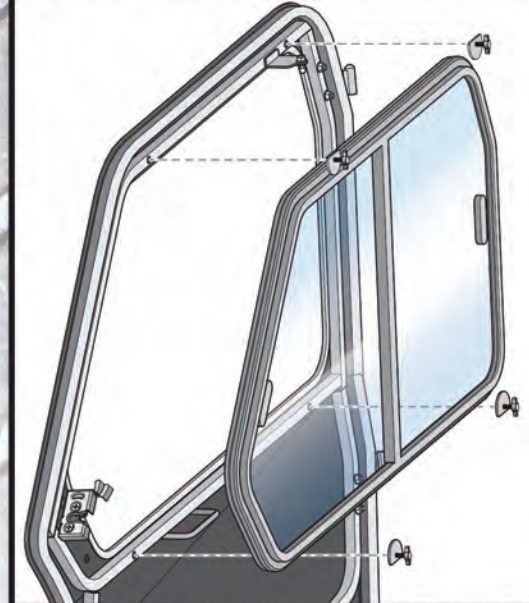

Features and specifications may change or vary per model.

Compare Value Feature-for-Feature

EXCEPTIONAL VALUE FROM CURTIS

FEATURE	CURTIS CAB	OTHER CAB
Exclusive Curtis Quick-Change Window: Large dual sliding windows of impact modified acrylic. Door windows remove and install in under a minute with no tools! Contoured rear window with slider improves ventilation.	✓	
Exclusive Dual Standard Wipers: The only cab to offer 2 wipers, just like your car or truck.	✓	
Better Value: Commercial grade cab at a great price. Uses the factory canopy (on most vehicles) for an even lower cost.	✓	
Quick Install: Full cab installs in 3 hours for lower acquisition cost.	✓	
Venting Windshield: Open for additional ventilation; closed for protection against weather and debris.	✓	✓
