A Timeline of Excellence

About Curtis

Curtis Industries LLC, an ISO 9001: 2008 certified Company is the leading manufacturer of Quality Cab enclosures and related accessories for compact tractors, golf cars, and utility vehicles. The company, which started in 1968, also manufactures truck plows and snow and ice control equipment for tractors and utility vehicles. Curtis Industries markets its products exclusively through a large network of dealers in the United States and Canada as well as Japan, South Korea and Western Europe. The company operates from a modern 150,000 sq. ft. facility in Worcester, MA.
