Vehicle Accessories for Tractors, UTV's & Golf Cars with or without a Cab or Roof System

New Accessories exceed our competitors performance at competitive pricing

Full implementation of LED technology (high-output, low-amp draw, etc)

Top Quality accessories are an essential part of the complete package

More New Products coming. Please visit our website for up-to-date information

## AM/FM CONSOLE RADIO KIT

Radio with Weather Band & AUX iPod port. Antenna is included in this unique and durable Stereo 12V system. Integrated speakers and great sound.

## DEFROSTER-COOLING FAN

A compact rugged dash or roof mount fan distributes and directs air onto the windshield, operating as a defrosting unit, when used with an optional heater kit. Its convenient self-locking swivel allows 360 rotation. This unit is also excellent for summer cooling.

## LED SWIVEL DOME LIGHT

Super-bright LED dome light swivels, angles and spins to point the light exactly where needed. Kit is complete with bracket, hardware and all wiring. Universal applications.

## INTERIOR REARVIEW MIRROR

Dash or roof mount, this Rearview Mirror will ensure visibility and safety while working and driving.

## UTV HEATERS

This powerful forced hot water heater packs 20,000 BTU/Hr. and features a built-in high-low speed fan.

## SWITCH PANEL/ FUSE BLOCK KIT

This kit is a must for multiple accessory applications. No more switches scattered around the dash and replaces multiple wires to the battery with one heavy gauge lead.

## COMPACT TRACTOR TUCK-AWAY HEATER

This powerful forced hot water heater packs 20,000 BTU/Hr. and features a built-in high-low speed fan. An in-line shut off valve quickly converts this unit to a summertime blower.

## WIPER KITS

Available in True 65°, 85°, and 110°, these Kits are complete with Motor, Flex Blade and Wiring.

Curtis Industries LLC, an ISO 9001: 2008 certified Company is the leading manufacturer of Quality Cab enclosures and related accessories for compact tractors, golf cars, and utility vehicles. The company, which started in 1968, also manufactures truck plows and snow and ice control equipment for tractors and utility vehicles. Curtis Industries markets its products exclusively through a large network of dealers in the United States and Canada as well as Japan, South Korea and Western Europe. The company operates from a modern 150,000 sq. ft. facility in Worcester, MA.
