## More Industry Firsts, Largest Dealer Base, More Units Sold Than Any Other Cab Company

It's a timeline of excellence. Curtis Industries has become the market leader by offering customers innovative products, unmatched quality and exceptional value. It's what sets Curtis apart from the competition. From the first simple enclosures to today's ergonomically designed cabs and accessories, Curtis adds both style and comfort. That's how we've done it for more than 45 years.

# Genuine Curtis Accessories

## Curtis Accessories Add Value To Your Tractor and UTV Cab

### ROOF MOUNT 3" x 5" OVAL LED WORK LIGHT SET

Mounts directly to any roof to illuminate your work with Super bright LED power. Lights are adjustable L & R and also tilt. 1400 Lumens. Everything you need is in the kit. Also Available for ROPS Mount.

### LED SWIVEL DOME LIGHT

Super bright directional LED Dome Light can spin, swivel and tilt to direct light to where you need it most. Includes harness and everything you need is in the kit. Prewired.

### HOT WATER UTV HEATERS

Powerful forced hot water heater packs 20,000 BTU/Hr. and features a built-in high/low speed fan. An in-line shutoff valve quickly converts heater into a summer time blower. Heater kit comes complete with mounting brackets and all fittings needed.

### 3" ROUND LED WORK LIGHT SET

Mount directly to any roof or bumper. Lights are adjustable L & R and also tilt. 700 Lumens. Prewired. Everything you need is in the kit.

### ROOF MOUNT STROBE LIGHT

360° Low Profile Strobe Light featuring Lexan® Lens mounts to any flat surface on the roof of your vehicle. Fast and easy installation, weather-resistant and everything needed to mount is in the kit. Prewired and 3 different flash modes. Also Available for ROPS Mount.

### DEFROSTER-COOLING FAN

Compact rugged dash or roof-mount fan distributes and directs air onto the windshield, operating as a defrosting unit, when used with an optional heater kit. Its convenient self-locking swivel allows 360° rotation. This unit is also excellent for summer cooling.

### LOW PROFILE LED WORK LIGHT KIT

Powerful Low Profile LED roof-mount front work light kit. This kit includes two 5-LED flat work lights with brackets, a switch and wiring for install. Can be mounted on both metal and plastic roofs. Approximately 875 Lumens per light.

### AM/FM CONSOLE RADIO KIT

Radio with Weather Band & AUX iPod port. Antenna is included in this unique and durable Stereo 12V system. Integrated speakers and great sound.

### ELECTRIC (DC) CAB HEATERS

Safe, fast, efficient. Now you can have heat where only direct current is available. Enjoy the comfort of forced air (fan) heat. Works as a windshield defroster. This 12Volt Heater draws 23 amps on high and requires a high amperage alternator. 1200-2400 BTU/per Hr.

### PRE-WIRED SWITCH PANEL

Only fits the 2 and 4 passenger Gator cabs. This kit includes 3 pre-wired illuminated switches, adjustable swivel LED dome light and a plug for a windshield wiper.

### SIDE VIEW MIRROR KIT

Kit includes 2 Mirrors and all mounting hardware. Durable and stylish, and can be relocated easily from door to frame for summer 'no doors' work. Includes drilling template. 13.75" H x 10.00" W.

### TRACTOR CAB HEATER

This powerful forced hot water heater packs 20,000 BTU/Hr. and features a built-in high/low speed fan. An in-line shutoff valve quickly converts this heater into a summer time blower. Heater kit comes complete with mounting brackets and all fittings needed for installation.

### SWITCH PANEL/FUSE BLOCK

This kit is a must for multiple accessory applications. No more switches scattered around the dash and replaces multiple wires to the battery with one heavy gauge lead.

**BACK-UP ALARM & HORN KITS.** These powerful alarms and horn kits ensure safety during operation and include all mounting hardware and wiring needed for installation.

**INTERIOR REARVIEW MIRROR.** Dash or roof mount, this rearview mirror will ensure visibility and safety while working and driving.

**WIPER KITS.** Available in True 65°, 85°, and 110°, these kits are complete with motor flex blade and wiring.

# More Innovation. More Value.
