

Technical Specification Sheet

Outrigger Mats

Placed under a crane's outrigger feet, these strong and durable protection mats spread the weight to create a more stable lifting base and to reduce floor loading.

Manufactured in high resistance polyethylene, the size of the mat required will vary according to the working environment and point loadings.

Available to hire or purchase from our nationwide depots.

Reference Codes

- 500 x 500 x 40mm Outrigger Mats - **RM500**
- 1200 x 1000 x 40mm Outrigger Mats - **RM1200**
