

Technical Specification Sheet

# Two-Man Suspended Work Platform [MCO25C]

Ideal for suspending from a mini spider crane so personnel can reach difficult to access heights, this aerial work platform is compact, lightweight and easy to transport.

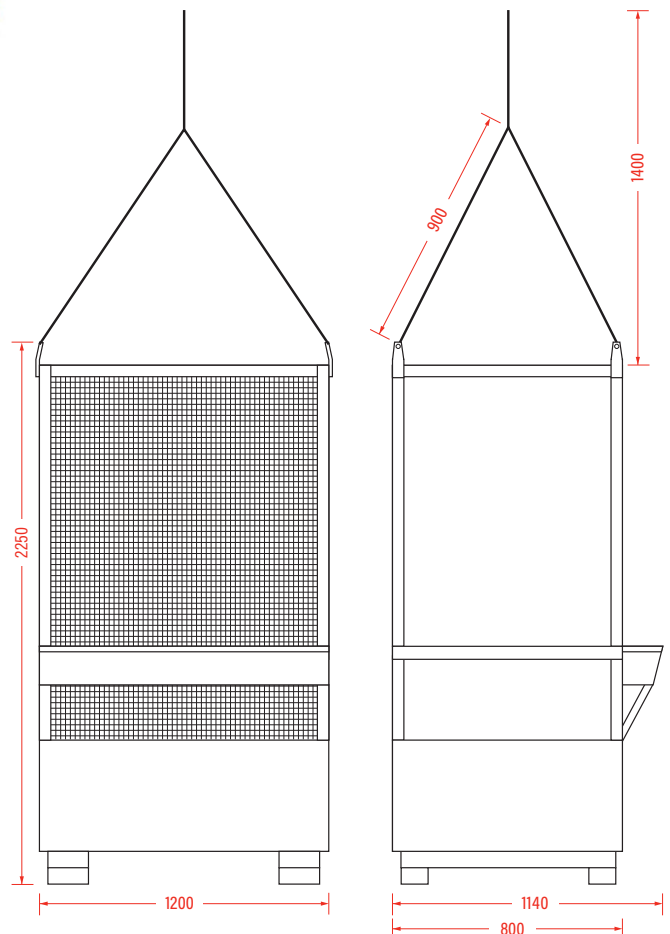

Able to accommodate the weight of two people (up to 250kg), this man riding basket can be easily fitted as a below-the-hook crane attachment, slung from its four suspension points.

This 190kg caged platform includes room to safely store tools, a side access gate and a spacious 1200mm x 1140mm base.
