

LA MANIGLIA  
NELLE SUE FORME  
PIÙ ELEGANTI

## L'EMOZIONE DEL DESIGN NELLA VITA QUOTIDIANA

Le porte e le finestre rappresentano l'elemento architettonico che, più di ogni altro, disegna lo stile e l'aspetto di una casa.

La cura minuziosa nella scelta estetica e una particolare attenzione al design hanno permesso a Ital-plastick di realizzare forme belle ed armoniose, senza rinunciare alla funzionalità dei suoi prodotti, per questo motivo a naturale completamento dei propri prodotti sono state selezionate le maniglie e i maniglioni dei migliori produttori, da sempre sinonimo di qualità design e funzionalità.

Ital-plastick in questo modo soddisfa le specifiche esigenze della clientela investendo costantemente nella ricerca e nello sviluppo, al fine di ottenere soluzioni innovative, di semplice utilizzo e di lunga durata.
